- Sergeant Zachary Hatch
- Deputy Elisha Johnson
- Deputy Cody Cotten
- Deputy Jonathan Walton
- Deputy Kayla Willett
- Deputy Gen Saelee
- Deputy Robert Hauck
- Deputy Jonathan Nelson
- Deputy Veronica Cervantes
- Deputy Mario Mendez

SAL'S 8th ANNUAL GOLF TOURNAMENT FUNDRAISER

The Sacramento County Sheriff's Activities League (SAL) was proud to present its 8th Annual Golf Tournament fundraiser on Monday, August 26 at Valley HI Country Club in Elk Grove. Since SAL relies on the generosity of community-minded businesses and individuals, we asked local companies for donations to support our fundraising efforts. At the event, attendees enjoyed raffle items, a silent auction, food, beverages, a round of golf, and a fun environment interacting with other guests. All golf tournament proceeds directly benefit the youth throughout our community. This annual event continues to be a huge success because of our community and Sheriff's Office support and volunteerism.

SHERIFF SPORTSMAN'S PROJECT

The Sheriff Sportsman's Project took several youth from the Sacramento area on multiple adventures this month. The youth were able to participate in an All Terrain Vehicle (ATV) Course learning how to properly and safely operate an ATV at Prairie City OHV in partnership with California State Parks. The group was also invited

to beautiful Lake Natoma by California Canoe & Kayak to participate in a kayaking adventure around the lake. In addition, Deputy Hauck turned to the great outdoors and hosted the second annual Sheriff Sportsman's Project camping and boating trip on the North Shore of Lake Camanche.

SACRAMENTO YOUNG MARINES

The Sacramento Young Marines have had a hot summer full of activities. July 4 was a day of celebration as they marched in the Carmichael Parade. July 20 was a day fundraising at the Watt Avenue Quick Quack Car Wash. On July 27, the unit graduated 11 new Young Marines from a one week basic training in Dublin.

SACRAMENTO CITY COLLEGE AT THE ACADEMY

The Sheriff's Activities League (SAL) hosted approximately 100 football players from Sacramento City College at our Academy. The purpose of the event was to showcase the physical requirements law enforcement recruits must complete prior to graduating from the academy; the event also showed how law enforcement relates to sports. Many sheriff personnel spoke to the team about the importance of leadership, teamwork and ethics. During the day, the team participated in different academy style work out routines. The team also had the opportunity to see the sheriff's office STAR helicopter, tour the sheriff's museum, and watch a K9 demonstration. The day ended with a BBQ and ice cream.

SAINT JOHN'S PROGRAM FOR REAL CHANGE

The Sheriffs Activities League (SAL) hosted a BBQ for over 150 women and children at Saint John's Program for Real Change. Deputies served a BBQ meal, showed off their dancing skills, played basketball, handed out stickers, swapped life stories with families, and learned about all Saint Johns has to offer families seeking shelter and change -- while most of all having fun!

DALLAS' FIRST DAY OF KINDERGARTEN

On August 15, the Sacramento County Sheriff's Office wanted to celebrate fallen officer Bob French's family as it neared the anniversary of Bob's end of watch. Deputies surprised Bob's grandson, Dallas, at his home for his first day of kindergarten. Deputies drove Dallas and his sister, Marley, to school and participated in a walk around the blacktop event held by Pershing Elementary School.

TOBACCO ABATEMENT

For the months of July and August, tobacco abatement officers attended multiple community events and youth summer camps where hundreds of youth were present. At those events, community members were educated on the current tobacco laws and the health risks for tobacco product use. In addition, the tobacco abatement officers conducted an education operation and reached out to 20 local businesses that sold tobacco products. Tobacco law pamphlets and proper signage were provided to each business.

BACKPACK & SCHOOL SUPPLY DRIVE

The Youth Services Unit dropped off over 150 backpacks and school supplies to the Sacramento Children's Home. These supplies were donated during a school drive at the Gerber Road Walmart in Sacramento to benefit the young men residing at the Children's Home. The collaborative effort of the team and Sacramento community members made it possible to help donate the leftover 30 backpacks to a program titled Always Knocking, which also benefits young men in the community!

SAL MENTOR DAY @ RIVERCATS

The Sheriffs Activities League (SAL) hosted their second annual SAL mentor day at the River Cats game.

Approximately 60 kids from the community and 60 deputies from the sheriff's office attended this event. Deputies and kids got to know each other and enjoyed the game at Raley Field. SAL also provided a tailgate barbecue in the parking lot prior to the game for everyone to enjoy.

UNITY IN THE COMMUNITY

This summer has been full of awesome community events, including our annual Unity in the Community events held once a month throughout the summer. July and Augusts events were hosted by SAL at Rosemont Community Park and Rutter Park in Sacramento. These free community events had a great civic turnout with more than 1,000 community members enjoying the festivities each time. Unity in the Community is a free, fun, family event hosted by the Youth Services Unit and other members of the Sacramento County Sheriff's Office. The community is given the opportunity to meet Sheriff Scott Jones and other department personnel such as K9, SED, CSI, Search and Rescue, Air Ops, gangs, and many more. These events are a great way to bridge the gap between the community and law enforcement, while enjoying a nice summer BBQ. Over 200 backpacks, 100 life jackets, and 25 bikes were given away at each of these events.

1ST ANNUAL SAL SUMMER CAMP

Thirty kids from the south Sacramento community enjoyed a week of fun and education at the first annual SAL summer camp. With rock climbing, fish feeding, shark petting, robot building, and zip lining, the camp is aptly named "SAL Adventure Camp." The camp culminated with a day of activities

hosted by the Explorers Program, followed by a free BBQ for participants and their families.

LIFE AFTER HIGH SCHOOL

The SAL Youth Leadership Council attended Life After High School (LAHS) at Fresno State University. The program is set up to assist our youth in making decisions about the next steps in life after high school graduation. The students participated in college, interview, money management, banking, credit, and career workshops. The kids also got the opportunity to experience dorm life at the university. Guest speakers helped the kids discover their self-talents, interests, and vision for their future. Additionally, the kids attended a career fair and had access to college recruiters.

MAKE A WISH

HYDRATE BLUE

On Tuesday, August 20, YSU along with the Sheriff's Explorers, Homeless Outreach Team, and POP team participated in Walmart's Hydrate Blue event. Local Walmarts in Sacramento graciously donated pallets of water and ice chests to the Sheriff's Office. Sheriff's Office personnel arrived at the Walmart locations and met with the store managers and employees to thank them and collect the donated items. These items will be dispersed across all divisions to keep our Sheriff's Office cool and hydrated. In addition, four area Walmarts collectively donated \$17,500 to Sheriff's Office youth programs (SAL/Explorers).

NATIONAL NIGHT OUT

On Tuesday, August 6, the Sacramento County Sheriff's Office (SSO) participated in the 35th Annual National Night Out. Youth Services Officers, along with many SSO personnel, attended various locations throughout the north and south Sacramento areas in effort to increase prevention and awareness of crime, generate support and participation in local neighborhood watch programs, and most importantly to strengthen the partnership between the community and law enforcement. The amount of participation from the neighborhoods in the community was remarkable. Each location varied from free barbecues, to raffle games, jump roping, to even live music.
