SEPTEMBER HIGHLIGHTS

Deputy Mark Stasyuk Memorial Fishing Tournament

The 3rd Annual Deputy Mark Stasyuk Memorial Fishing Tournament was held on September 25th, at the Jellystone Tower Park Marina. Tournament participants rose before the sun to launch their boats and toss their lures into the Delta in attempt to catch the largest bass or striper fish.

Campers and observers enjoyed a wide variety of raffle prizes to bid on while eagerly waiting for the fish weigh-in announced by Angler's Press. Tournament participants and marina goers enjoyed a barbequed hotdog lunch provided by the Sheriff's Activities League.

Kids had a great time participating in the free kid raffle with prizes

donated by the Sheriff's Toy Project. The weather was beautiful, the company was good and a great time was had by all.

Thank you to all who assisted in making this event possible, we look forward to seeing more fishing rods in the water next year!

FAIR OAKS CHICKEN FESTIVAL

Youth Leadership Council (YLC) students, Sacramento Sheriff's Explorers, and deputies set up a booth at the Fair Oaks Chicken Festival this year.

Young community members enjoyed giveaways, and participated in coloring contests for a chance to win cool prizes.

FRIDAY NIGHT LIGHTS

Deputies assisted with the "Friday Night Lights" dinner held for the Elk Grove High School football team. Deputies displayed their cars, set up a booth, handed out swag bags, and helped serve dinner. This event allows deputies to motivate football players before their games.

INTERNATIONAL KIDS FESTIVAL

Deputies attended the International Kids Festival. Deputies set up a SAL booth, displayed their YSU vehicles, and handed out tobacco-free giveaways to the youth.

PRESENTATIONS

Deputies held a presentation at Bradshaw Christian Preschool. Deputies talked about their duties, when to dial 9-1-1, displayed their vehicles, and handed out tobacco-free sunglasses.

SCHOOL SUPPLY DISTRIBUTION

Deputies distributed over 100 backpacks and school supplies to Sac City Unified School District to benefit the underserved youth! A special thanks to Costco and the Sparkle Foundation for donating backpacks!

DYER KELLY

Every week, deputies hang out with students at Dyer Kelly after school is out.

LUNCHTIME WITH YSU

Lunchtime with YSU was held at Barrett Ranch Elementary, North Country Elementary, Olive Grove Elementary, and Golden Empire Elementary. This program brings deputies onto elementary and middle school campuses during lunchtime to interact with and mentor students. The youth in the area are introduced to law enforcement in a positive and fun environment.

BEST BUDDIES

The Best Buddies program is held weekly at Antelope High School during the school year. This program allows both Antelope High

students and deputies to mentor students with intellectual and developmental disabilities.

During Homecoming week, Best Buddies organized a fundraiser and sold drinks. It was a fun way to get together with friends at the Night Rally!

YOUTH LEADERSHIP COUNCIL

Every second and fourth Thursday of the month, deputies help facilitate the Youth Leadership Council (YLC), a program designed to help develop and strengthen leadership skills. SAL would like to thank YLC students for assisting at the Fair Oaks Chicken Festival!

FAMILY NIGHT AT LIBERTY TOWERS

YSU deputies participate in Liberty Tower's "Family Night" every Thursday. This allows deputies to foster positive relationships with the community!

BIGS WITH BADGES

Bigs with Badges is a one-to-one mentoring program that connects youth with law enforcement and other first responders to build lasting relationships. The program gives underprivileged children the opportunity and tools to realize their potential, build their future, and evolve into confident, responsible adults.

S.H.O.C.K.

The S.H.O.C.K. program takes on a leadership role by partnering with community-based organizations, local businesses, and other youth-serving agencies to reach out to those youth considered at-risk for making poor choices in their lives.

Chronic absenteeism, continuous disruption to classroom learning, signs of experimentation with drugs and/or alcohol, as well as involvement with the gang lifestyle are considered behaviors that could lead to devastating life-long consequences.

This program is designed to:

- Redirect negative behavior
- Provide partnerships with law enforcement, the community, and schools
- Increase understanding of the criminal justice system
- Emphasize the legal consequences of violating the law
